

KWADONGA HOLDINGS

Get-It-Clean

Your dirty work is our responsibility.

Get-It-Clean

KWADONGA HOLDINGS (PTY) LTD

Get-It-Clean is a cleaning company under KWADONGA HOLDINGS started in 2021 with just 3 cleaners. The company started in the residential cleaning industry and have since expanded out into other sectors now ranging in a variety of other different industries with a team of 8 members.

Today KWADONGA HOLDINGS affords companies as well as individuals a professional contract cleaning service that excels in every aspect. KWADONGA HOLDINGS is a Black Empowered Enterprise and is managed with a Broad-Based BEE status.

Why Use Us?

All our staff are fully trained and we, as a company, strive to offer services that are largely based on "detailing" rather than cleaning. With a vast array of experience and knowledge behind us, Get-It-Clean is able to cover a wide range of areas. Our well-trained staff and personalized commitment to service and all clients allows us to not only work efficiently but also to provide a great turn-around time. Get-It-Clean offers cleaning services for small offices right through to prestigious Head Offices, multi-site buildings and other spaces.

We are also happy to cater for simple one time cleaning services, weekly cleanings or bi-monthly, monthly or annual contracts. Our attention to detail and quality has earned us contracts and a solid reputation in the cleaning business.

Quality Cleaning

Get-It-Clean believes in using only the best cleaning equipment and environmentally friendly cleaning products. All cleaning chemicals, techniques and equipment are the most recent and SABS approved.

Advantages of using our Services

Client Satisfaction

Our management will be responsible for the following:

- Regular communication with the client
- Assessing client needs
- Developing client relationships
- Setting and maintaining quality standards
- Following up on inspection reports
- Monitoring complaints
- We take responsibility of everything we working with
- Feedback to client complaints
- Attention to detail
- Establishing a cleaning plan for the building
- Adherence to cleaning specifications

Services

Corporate Cleaning

Our corporate cleaning services are available daily, weekly or monthly. Depending on the size of your office space and the amount of employees your business hires, corporate cleaning frequency might differ.

Vehicles Cleaning

Our car cleaning services ensures the immaculate cleaning and maintenance of your garage and the vehicles in it. Vehicle cleanings should provide not only a hygienic environment, but a space that will proudly represent you.

Estate Cleaning

Estate cleaning services ensure that residents are proud of their surroundings. Likewise, having clean and presentable facilities on the property, such as pools, gate houses, public areas just to name a few.

Residential Cleaning

As residential cleaning is a more common service, our domestic cleaning staff are available on a daily, weekly and monthly basis.

Waste Management Services

O We offer various waste bins that companies/households can either place indoors or outside and empty the bins once a week or twice. We offer a holistic on site waste management service placing a recycler as well recycling bins on site maximising company waste and insuring environmental responsibility.

Industrial Cleaning

Industrial cleaning services require stronger cleaning materials and more stringent cleaning methods in order to remove tough dirt which is typically associated with industrial manufacturing processes.

OTHER SERVICES

Bathroom deep cleaning

Windows Cleaning
